

PRESS RELEASE

Date 02.10.2014

iVote in 2014-15 European Commission Edition of „The Secret of Success“

iVote the leading provider of election modernization technologies, e-learning and e-commerce systems is included in **2014-15 edition of “Secret of Success”**, brochure for the **European SME Week 2014**, published by DG Enterprise and Industry of the **European Commission**. We are proud to let you know that iVote is Macedonian representative for this year's brochure. The Commission was interested in successful entrepreneurs with an unusual or inspiring story to tell in terms of rate of growth, achievements and technological breakthrough.

iVote as an innovative company with huge potential for international expansion and growth, also award winner of many international accolades has the honour to be personally invited by Joanna Drake, Director for SME Policy and Deputy EU SME Envoy DG Enterprise and Industry European Commission to attend the 2014 SME Assembly on behalf of the European Commission and the Italian Presidency of the Council of the European Union which will take place in Naples, Italy from 1-3 October 2014.

“In the current economic situation, European companies must turn to innovation, productivity, resource-efficiency and high value-added if they want to stay competitive in global markets and to respond to the growth and job creation challenges. Digital transition, which is underway across the global economy, is at the heart of the transformation of European industry.”- said Antonio Tajani, Vice-President of the European Commission responsible for Industry & Entrepreneurship.

“Entrepreneurs are key to society because we are the source of innovation, of products and services that create wealth and we improve the competitiveness of the economy”.-said Ljupcho Antovski, Board Member and co-owner of iVote.

“Being part of the brochure “**The Secret of Success 2014-15**” is a tremendous acknowledgment of our innovation and dedicated work of each member of the iVote team. This publication places iVote in the registry of innovative European companies that are expected to set the future entrepreneurial trends in Europe. ”-said Goce Armenski, Board Member and co-owner of iVote.
