

## PRESS RELEASE

Date 17.09.2015

### iVote's Epistum in Nigeria & Ghana

iVote announced that it is **broadening its learning management system (LMS) presence in Federal Republic of Nigeria and Ghana territories.** With the International reseller program for Epistum LMS, the New Creation Educational Foundation (NCEF) became iVote's partner. **NCEF will offer Epistum LMS to educational and private sector in Nigeria and Ghana.**

"By making sole reseller agreement with our partner NCEF, iVote continues to accomplish its annual goals, among which is to expand the products internationally. We have found support and enthusiasm to broaden the customer base and to strengthen the reputation of the brand. Our products and services now will be available overseas and will be of a great help to companies of all sizes especially to companies from public, educational and financial sector." -stated Mr.Tomislav Zografski, CEO of iVote.

EPISTUM is a fully-featured, SCORM compliant, web-based LMS adapted to the necessities of businesses to train and evaluate their employees and students. It makes learning process more entertaining to the users by enabling interaction and dynamic learning methods. Epistum supports interactive e-courses, videos, images, lessons, conference information, peer-to-peer communication, evaluation tests and quizzes.

iVote provided thoroughly training for NCEF team in Skopje to strengthen the partnership and to increase their Epistum LMS knowledge. The contract was signed on **28-th of August.**

#### About iVote

iVote is an European software development company and manufacturer of brand LMS product EPISTUM and DEMOKRA Election Management Platform.
