IVOTE FROM MACEDONIA NAMED NATIONAL CHAMPION IN THE EUROPEAN BUSINESS AWARDS 2015/16

iVote has been named as a National Champion for Macedonia in The European Business Awards sponsored by RSM; a prestigious competition supported by businesses leaders, academics, media and political representatives from across Europe.

The European Business Awards now in its 9th year engaged with over 32,000 business from 33 European countries this year and 678 companies from across Europe have been named as National Champions; going through to the second phase of the competition.

iVote as a company specializing in implementation of election modernization technologies, e-learning services and e-testing solutions as well as e-content development, provides time critical and secure web based solutions for both, business and public administration institutions worldwide.

“We are very proud to be selected to represent Macedonia as a National Champion in the Import/Export Award. This is the second consecutive year winning the accolade –National Champion, in the most significant cross-sector business recognition programme. Now we are looking forward to the next round of the judging process where we can explain in more depth how we are achieving business success.” - said Tomislav Zografski, CEO of iVote

Adrian Tripp, CEO of the European Business Awards said: “Congratulations to iVote and all the companies that have been selected to represent their country as National Champions, they play an important part in creating a stronger business community.”

The next round requires the National Champions to make a presentation video, telling their unique story and explaining their business success. The judges will view all of the National Champions’ videos, and award the best of this group the coveted ‘Ruban d’Honneur’ status. Ruban d’Honneur recipients will then go on to be part of the grand final in 2016.

Separately, the National Champion videos will be made public on the European Business Awards website www.businessawardseurope.com as part of a two stage public vote, which will decide the ‘National Public Champions’ for each country.
