iVote Named as One of Europe's Best in First Ever 'Ones to Watch' list

iVote has been named as 'One to Watch' in Europe in a list of business excellence published by the European Business Awards sponsored by RSM.

iVote was chosen as it demonstrates exceptional achievement in one of the 12 European Business Awards' categories and reflects the programme's core values of innovation, success and ethics.

The 'Ones to Watch' across Europe can be found at www.businessawardseurope.com

"It is a great honor to represent our country, Macedonia, in the business world. Being chosen as 'One to watch' in Europe is a great achievement for us and we will continue to improve our work to be innovative and always attractive on the market." – Said Mr. Tomislav Zografski, CEO of iVote.

Adrian Tripp, CEO of the European Business Awards, Europe's largest cross-sector business competition, said: "We wanted to recognize more widely the many incredible business success stories from across Europe."

He continued: "The talent, dedication and innovation at the heart of these companies creates jobs and opportunity, and is what drives their country's prosperity. The 'Ones to Watch' lists will set a benchmark of success for the European business community."

Jean Stephens, CEO of RSM, the sixth largest global network of independent audit, tax and consulting firms, and long-term sponsors of the Awards, said: "To be listed as a 'Ones to Watch' is a real accolade. At RSM, we work with companies across Europe and beyond, advising them on all areas of their business and we are passionate about encouraging success and prosperity. We wish these dynamic companies every success in the future."

iVote will now have the chance to compete in one of the 12 categories of the European Business Awards to become a National Winner in their country. If successful, iVote will then take part in the grand final in May 2018, where the final 12 European winners will be announced. iVote will also have the chance to enter a public vote, which attracts attention and support from across the globe.
