PRESS RELEASE

Date 14.03.2019

iVote attended the 5th International B2B Software Days 2019

iVote attended the **5th International B2B Software Days 2019**, from 14 Mar 2019 - 15 Mar 2019 in Wien, Austria.

The 5th International B2B Software Days are organized by FFG, WKO/Advantage Austria, the Vienna Business Agency, Austria Wirtschaftsservice in collaboration with the Enterprise Europe Network, Eureka, and the go-international initiative.

 "It is a great honor to participate at this event that primarily targets companies and R&D institutions looking for technological, research and business cooperation. It is also a chance to interacts with delegates from different countries working in the same filed of interest. – stated Elena Temelkovska, iVote CEO.

The two days conference includes inspiring keynote speeches, fire side chat with Gerhard Eschelbeck, Vice President Security and Privacy Engineering, Google Inc., pre-arranged B2B meetings, pitching for start-ups and scale-ups looking for investment, thematic workshops focusing on latest trends.
